

Switch to Signet

1

Start with Signet!

We have a variety of options with the best solutions for your financial needs. Speak with a representative to determine which ones are best for you!

2

Open your Signet Account.

Bring a government-issued ID and \$5 to open an account!

3

Update your AutoPay.

Do you have recurring monthly transactions? Use your new account information card to easily update them!

4

Close your previous account.

You may close your account with the other institution once all of your checks have cleared and your automatic payments have posted to your Signet account.
